

Cloverdale Skating Club

Providing an inclusive positive environment for developing skills, encouraging good sportsmanship and building self-confidence in accordance with Skate Canada.

Fall/Winter Skating

You should have received an Ice Show Newsletter with lots of important information about what to expect for skaters and parents.

We are actively looking for parents that can help us with some of the jobs that need to be done to make the Ice Show a successful event. We will need help with **cutting out patterns and sewing costumes, making props, putting together programs and collecting advertising** - please email Kam at cloverdalesregistrar@gmail.com

We are excited for our upcoming Ice Show! To ensure a great costume fit, we would like all skaters to be measured.
Please contact Cari@windandtide.com

There are still plenty of other opportunities for those that need to fulfill their volunteer commitment. Check out the volunteer page on Uplifter regularly. New opportunities get added throughout the year.

We will be sending out information in October for our semiannual Neufeld's fundraiser. Many families stock their freezers with Neufeld's meats and ready made dinner, appetizer and dessert options.

A few club jackets in size Adult XS are still available to purchase for \$100 or \$120 (skater name embroidered on sleeve). Please contact Kam at cloverdalesregistrar@gmail.com if you are interested. The next club jacket order will be at the start of Spring Session.

CSA approved helmets are mandatory for all CanSkate, PowerSkate and Junior StarSkate Skaters. Pre CanSkaters must wear CSA approved helmets with face cages.

Coaches would like all skaters in levels Star 1 and up to wear "Crasche" or "Halo" protective headbands. Any skater not wearing head protection may be limited in the new skills being taught to them and coaches have the right to take any precaution they feel necessary on the ice any time a skater is not wearing head protection. Coaches may ask skaters in Star 1 and up to remove their head protection if they feel the skater(s) need to practice without it.

Cloverdale Santa Parade

This is a fun annual event that the Club has been involved in for several years now. We will be decorating and entering a float in the parade with space for skaters to ride and represent our Club in our community. Watch for a sign up sheet to be posted on our board at the Cloverdale Rink.

We will also be hosting a Christmas family skate for our Club members and their families in the Ice Palace on December 14.

Good luck to all our competitors who are going to this year's Autumn Leaves Competition in at Chilliwack Twin Rinks!
