Harpuneet - Bronze

Star 3

Sophia - Silver
Caelynn - Silver
Tanisha - Silver

Star 4

Sandy - 7th

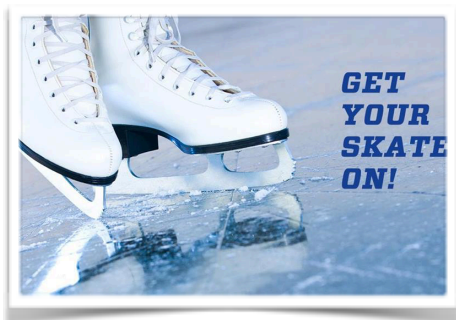

Star 5

Angelena 8th
Nicole 9th

As the end of the year draws ever closer, we would like to remind all our members that registration for next fall will be available some time in mid July so please watch your emails for an invitation to Early Registration with the opportunity for the early registration discount. Next year is an Ice Show year and more information on what that means for our skaters will be sent out in July as well.

Second Annual Star Skate Awards Gala

Star Skaters should have received their Gala invitations. Please be sure to RSVP for your skater and all family members who will attend. Please email cloverdale.sc.specialevents@gmail.com if your Star Skater did not receive an invitation

Canskate Awards

Awards will be presented to our Canskaters and Canpower kids on ice at one of their last sessions

Since the AGM, your newly appointed Board of Directors has been working on following Skate Canada's strategic planning model. 2019 has been all about improving the registration experience and access to information for all our members. By next fall, we hope to have an updated handbook which will contain information for skaters and parents interested in continued development in skating through the Skate Canada levels. The handbook will be available online for all to read or download and we are also planning to hold a Canskate Information Meeting for interested parents in the fall.

We plan to reintroduce the "Skater's Corner" on our Cloverdale Rink Info Board which will highlight our skater's achievements and recognize skaters of different levels on a monthly basis.
